As a part of “Leesburg’s Rails to Trails” project, a steering committee is being formed to create a comprehensive document that will illustrate and define the development and improvement of new and existing trails. The planning document will be designed to be used by local agencies and governments to provide overall guidance to system development.

The first meeting of the Trails Master Plan Steering Committee for the City of Leesburg will be held on Tuesday, February 10, 2004 from 3:30-5:00 pm in the City Commission Chambers.

For more information please contact Yvette Brandt, Community Development Planner at (352) 728-9764.
